

Certification Course: Critical Sustainability

Summary

- ✓ Course dates: September 28 – November 10, 2023
- ✓ Course duration: 6 weeks
- ✓ Language: German
- ✓ Location: Berlin
- ✓ Certificate: TU Berlin Certificate of Professional Education (3 ECTS)
- ✓ Format: Blended learning
- ✓ Lecturer: Dr. André Baier
- ✓ Price: 3390 €

Course overview

This course aims to provide participants with the competence to uncover the complex interconnectedness of their social, political, ecological and economic environment. It takes into account different values, interests and needs both from a global perspective and within the confines of a seminar room. The course concept promotes democratic decision-making in order to reflect on and define problems within the course and beyond, and to address them through one's own actions.

Course content

- ✓ Perception of one's own social, political, ecological and economic environment
- ✓ Promotion of democratic decision-making with the aim of reflecting on and defining problems and addressing them through one's own actions

Dates

September 28 – 30, 2023 (on-site in Berlin) from 09:00 – 17:00 (CET).

The on-site sessions will be followed by a self-study phase, which incorporates the following online sessions from 15:00 – 20:00 (CET): October 13, 2023; October 27, 2023 and November 10, 2023.
